RULES AND ITEMS GLOSSARY

EXPERIMENTAL RULES: These rules are experimental and can only be used in the game if both players agree.

SPECIAL CHARACTERS: Both players are allowed to field special characters, even if the rules already set no permission was needed. This is a courtesy rule.

BORDER PATROLS:

Special limitations:

- You must choose an army of not more than 500 points.
- You must have a SINGLE Hero to lead the force, but the Hero may not be an Army Battle Standard Bearer.
- The army must consist of at least TWO units but no more than FOUR units.
- You must have at least ONE Core choice.
- You may take ONE choice of either Special or Rare units, but not both.
- You must include at least ONE infantry unit of 10+ models.
- No unit may contain more than 25 models.
- No unit may carry a magical standard.
- No single model may cost more than 125 points.
- An army may have no more than ONE chariot or war machine. This also applies to choices that allow more than one item per pick, like Goblin Wolf Chariots. You may only buy ONE per choice,

Army specific notes:

- Bretonnians do not have their Army Battle Standard Bearer.
- Tomb Kings must have a Liche Priest as the Hero. He will also act as the General.
- Tomb Kings may have more than one Chariot.
- A Vampire Thrall may lead a Vampire Counts army.

House rules:

- Ogre Kingdoms Hero limits increased to 150 pts
- Ogre Kingdoms may have a Maneater/Bruiser or ogre unit champion as General.
- Dogs of War do not have their Paymaster.
- Dogs of War may have 1 Regiment of Renown. No other patrols may have RoR.

HATE HIGH ELVES: Reroll missed hits on first round of combat.

SECT ENMITY: May not join a unit with an Assassin

DARKSTAR CLOAK: Gives +1 Power dice, only usable by that sorcerer.

FAST CAVALRY: See rulebook or <https://6th.whfb.app/fast-cavalry>

FEAR: Unit causes Fear

STUPIDITY: Subject to Stupidity
